

Common Sense Obesity Warning

The Sopranos[®],
Season Three

Wife's
Lasagna

Bought Sony
PlayStation[®]

Hired
Lawn Service

Some government officials want warning labels on food.

Warning labels on food to “protect” us?

At the Center for Consumer Freedom, we think adults are smart enough to choose what to eat and when to move. The only warnings you really need are about food cops, bureaucrats, and scheming trial lawyers.
