

# What is PETA Teaching Your Child?

To see what scary messages and images are being aimed at your child, visit [www.ConsumerFreedom.com](http://www.ConsumerFreedom.com)

## “Your Mommy Kills Animals!”

People for the Ethical Treatment of Animals (PETA) often bypasses parents to spread destructive and violent propaganda to kids about food and fur. PETA reaches more than two million children a year at school and on the Internet.

Find out more about PETA’s extremist agenda at [ConsumerFreedom.com](http://ConsumerFreedom.com)

PETA booklet distributed to grade-schoolers.

Help the nonprofit Center for Consumer Freedom challenge radical groups like PETA by donating online.
