

Should Animal Extremists Dictate What You Wear?

MARC CHING

INGRID NEWKIRK

Marc Ching served 9 years in prison for kidnapping and his animal rescue has been accused of leaving dogs to die a horrible death. PETA has killed nearly 40,000 animals at its headquarters. These extremists are working with California lawmakers to ban the sale of fur. Next up on their radical agenda will be banning leather, wool, and silk clothing.

Don't let these extremists dictate your wardrobe.
