

# FAKE MEAT, REAL CHEMICALS

## Real Bacon:

Pork, Water, Salt, Sugar, Seasoning

## Fake Bacon:

Tertiary butylhydroquinone, Disodium inosinate, Disodium guanylate, Monocalcium phosphate, Hydrolyzed vegetable protein, 34 other ingredients\*

So-called plant-based meats  
don't grow on a vine.

**They “grow” in factories.**

\*MorningStar Farms, Veggie Breakfast, Veggie Bacon Strips
