## Carrie Underwood boood @ Comstock, NE Windmill Festival

This isn't out in any of our papers yet (most Nebraska towns only have weekly papers), but Carrie Underwood played at the Comstock, Nebraska Windmill Festival on Sunday. Unfortunately for her, she made the mistake of telling the crowd (in the heart of Nebraska's ranch land) that she does not eat beef. Not only did the crowd totally boo her, but she received quite a bit of heat from the performers who followed her act, including Trick Pony and Brooks and Dunn. We knew she was a backer of PETA before this, but now we know she's pretty stupid to boot!
